

PHOTOGRAPHY AND RECORDED IMAGES POLICY

Introduction

The core values of decency, fairness, individual responsibility, honesty, integrity, respect and tolerance underpin this policy.

Lindum Squash Club may wish, on occasion, to take or use images of its junior members for the following purposes:

- To promote the Club's activities
- To celebrate achievements to help increase participation
- To take video footage of juniors playing squash as a coaching tool

Purpose & Rules of Use

Lindum Squash Club is aware that use of images on websites or social media, can have a potential to put a child at risk. **Lindum Squash Club** does not advocate the banning of photography or video coaching, but instead asks all members to be aware of the following points and safeguards:

- No photographs or video footage is to be taken of children without the written consent of the parent or guardian.
- No photography or filming should be taken unless the child is made aware at the time of this activity.
- Photography for publication purposes is only permitted by authorised individuals or invited media with the written consent of the parent or guardian.
- Members or parents and/or guardians wishing to take photos or video footage which will include children other than their own at any Club event or otherwise may only do with the written consent from a relevant official of the Club and/or parent(s)/guardian (s) of the other child or children.
- Photographs are used to promote the positive aspects of the Club, and/or the game of squash/racketball.

Before any posting of information or uploading of images is put on the Club website or social media platforms, consideration should be given as to whether these posts are appropriate, or if they could inadvertently put the child at any risk. N.B. the need for the written consent of the parent or guardian.

Please read the **Lindum Squash Club** Social Media Policy to familiarise yourself with our rules on the usage of social media.
